REF: A) 05 STATE 220707, B) STATE 56169

11. We delivered a diplomatic note to the Ministry of Foreign Affairs on April 28 designating all U.S. air carriers as authorized carriers under the Open Skies Agreement between the United States and Indonesia (reftel). We also discussed the purpose of the designation with Lilien Ambarwiyati, Deputy Director, International Air Transport, Directorate General for Air Communication, Ministry of Communication, and delivered to her a copy of the diplomatic note and talking points. Ambarwiyati is the lead GOI official with responsibility for the Open Skies Agreement. We told Ambarwiyati the United States is prepared to accept a similar designation from Indonesia. She said she would review the proposal and discuss it with MOC officials.
